EXPERIENCE

● KARMA DESIGN
Jun 2017 - Present Seattle, WA

UX + Visual Designer

Designed products and collateral for clients on a contract basis, specializing in projects involving motion, information layout and web design. As part of a three-person team, designed the studio's website, start to finish.

● WILLIS TOWERS WATSON
Nov 2015 - Feb 2017 Seattle, WA
Mar - Sep 2013 Seattle, WA

Administrative Assistant

Proofed and produced presentation materials and biannual client reports involving sensitive information. In my starting position as file clerk, resolved a three-year filing backlog in two months.

● ICON CREATIVE STUDIO
Jan - Oct 2015 Vancouver, BC

Animator

Produced animation-ready shot layouts and an average of 430 frames of finished character animation per week for Season 1 of Disney Jr. TV series *Goldie & Bear*.

● UNIVERSITY OF WASHINGTON
DIVISION FOR RESIDENTIAL LIFE
Aug 2010 - Jun 2012 Seattle, WA

Resident Adviser

Crafted community development and monitored community courtesy expectations, along with fellow staff, for building of 800 residents. Conducted quarterly interviews with 120 first-year students.

● UNIVERSITY OF WASHINGTON
CENTER FOR CARDIAC BIOLOGY
Feb 2009 - Aug 2010 Seattle, WA

Undergraduate Lab Assistant

Performed histology for cell quantification, maintained lab stock of reagents, trained new students in proper sterile technique. Conducted a pilot study of Keller-derived cardiomyocytes in two in-vivo cardiac infarction models
